Terms, Conditions & Cancellation Policy for EveryBody Fit LTD

Please ensure that you read and understand the terms, conditions and cancellation policy relating to your membership at EveryBody Fit. Agreeing to this document indicates you agree to these conditions. Your agreement will be electronically stored on Team Up. Failure to understand our terms, conditions and cancellation policy could lead to you incurring charges and them being recovered from a third party debt recovery company (Redwood Collections). Failure to pay these may result in your credit rating being affected.

Please be aware of your membership's policy (you can find these attached to your account and also below). All memberships have specific descriptions that can be viewed on team up. The cancellation policy is outlined below. Please note that some of these memberships have now expired and are no longer for sale at EveryBody Fit.

All Group Training and Semi Private PT Memberships, regardless of the tiers have the following cancellation policy.

These memberships bill every month. Payment for the first partial period will be prorated according to the days remaining in the period then 6 full payments will be taken. This membership cannot be cancelled early. This membership is for a minimum 6 month period, should termination of the membership occur within the 6 months the remaining time still needs to be paid along with the 60 day notification period. Should you wish to cancel this membership after the 6 months the 60 day notice period will be required. Your membership and benefits can then still be used until the termination date of your membership. Should you wish to cancel your membership you need to access your Team Up account and cancel your membership. You do not need to cancel your direct debit as no further payments will be taken after the termination date once you have cancelled your membership on Team Up.

Cancelling your direct debit prior to the final payment being taken is a breach of these terms and conditions. Failure to follow this process will result in outstanding payments being forwarded on to the debt recovery team, incurring further costs to you at an additional 100% of the outstanding amount. As soon as you cancel your direct debit details at your bank we are informed – this will lead to you receiving your first initial letter/email. You as the member will also receive emails from Team Up advising you that your membership is still active and you don't have any payments details attached to your account. In these emails you will again be reminded of the term and conditions you have signed into.

If you do not cancel your membership on team up you will incur the cost of the monthly membership each month as the membership is still live. This will lead to additional costs for you. You do not need to contact us at the gym or in writing to cancel your membership, you can do this on your own team up account.
